Policies & Procedures:

Fall tuition is based on a 10 month program and is payable in 10 monthly installments (1st installment due August 25th; 10th installment due May 25th). Siblings receive a 10% discount on the lower tuition. No tuition reductions will be made due to absences, vacation, or holidays. Tuition may be paid by check or credit/debit card (VISA or MasterCard). There is a \$20 service charge for all returned checks.

Tuition is billed on the 15th of each month and is past due if not received by the 25th of the month. A late fee of \$25 will be assessed monthly on any payment received after the 25th of the month. If payment is delinquent for more than four weeks, the space may no longer be reserved for the child, and the child may not attend the school until the balance is current. We reserve the right to request collection of all past due amounts be paid by cashier's check. A two-week notice in writing is required from families wishing to withdraw their child from the school.

The preschool reserves the right to terminate service if a child is unable to benefit from the program, if the program is unable to meet the special needs of the family or child or if the child or family is disruptive to the program.

Placement of children is based on developmental readiness as well as chronological age. The final decision about placement rests with the Preschool Director.

****Department of Social Services Forms must be turned in for all new students prior to your child starting school.**
